

# Susmitha Sri Vyshnavi Maddali

+91 6300907595 | vyshnavimaddali185@gmail.com | Chennai, India

## PROFESSIONAL SUMMARY

---

Full Stack Developer with 3.8+ years of experience building scalable, secure, and high-performance web applications. Proficient in React.js (Hooks, Context, Redux) for frontend development and Python Django/REST Framework for backend services. Experienced with RESTful API design, role-based access control, and Agile/Scrum methodologies. Passionate about leveraging modern technologies including Generative AI APIs to deliver quality solutions in collaborative, fast-paced environments.

## TECHNICAL SKILLS

---

**Languages:** JavaScript (ES6+), Python, HTML5, CSS3, TypeScript (familiar)

**Frontend:** React.js, React Native, Redux, React Hooks, Context API, React Router

**Backend:** Django (familiar), Django REST Framework, RESTful APIs, FastAPI (familiar)

**Databases:** MySQL (familiar)

**Tools:** Visual Studio Code, MySQL Workbench, Postman

**Methodologies:** Agile / Scrum, SDLC, REST API Design, Role-Based Access Control (RBAC)

## WORK EXPERIENCE

---

**Frontend / Python Django Developer** | Buzzworks Service Pvt Ltd, Chennai | June 2025 – Present

- Develop and maintain responsive UIs using React.js with Hooks, Context API, and Redux
- Build and maintain RESTful APIs using Python Django and Django REST Framework
- Collaborate with product, QA, and DevOps teams to deliver high-quality features end-to-end
- Troubleshoot performance, scalability, and security issues in production systems
- Explore and integrate Generative AI APIs (e.g., OpenAI GPT) into application workflows

**Frontend Developer (Employee)** | Primesoft Inc, Chennai | December 2022 – June 2025

- Built modern, responsive SPAs using React.js, Redux, React Router, and component-based architecture
- Integrated RESTful APIs and collaborated closely with backend and design teams
- Managed version control and collaborative development using Git

**Frontend Developer Intern** | Primesoft Inc, Chennai | June 2022 – November 2022

- Gained hands-on experience building React.js components under mentorship
- Assisted in integrating RESTful APIs and writing responsive UI code
- Participated in Agile sprints and daily standups to support the development team

## PROJECT EXPERIENCE

---

**FlexyDial** – Call Center Management System

A web-based call center platform for banking clients (IDFC, SBFC, Axis, DBI) supporting inbound/outbound calling, lead distribution, campaign management, and real-time monitoring.

- Backend: Python, Django, Django REST Framework for API development and third-party integrations
- Frontend: HTML5, CSS3, JavaScript, Bootstrap, AJAX for responsive interfaces
- Database: MySQL with optimized queries and indexing
- Implemented Role-Based Access Control (RBAC) for Admins, Team Leaders, and Agents
- Built lead management, campaign configuration, call routing, and real-time dashboards
- Applied data validation, secure authentication, and encrypted data handling

**PAYAPT** – FedNow Simulator

A cloud-based platform simulating FedNow service capabilities (ISO 20022 standard) for testing, development, and training.

- Implemented React Hooks (useState, useEffect, useRef) and Redux for state management
- Built SPAs using React Router, Pure Components, and component-based architecture
- Used JavaScript built-in methods (forEach, filter, map) and closures for efficient data handling
- Managed version control and collaborative development using Git

**T-SOFT** – Budget Management Module

*A module for strategic, operational, and financial planning with versioned, revisable budgets aligned with business goals.*

- Handled unstructured JSON data for full CRUD operations via RESTful APIs
- Built SPA architecture using React Router, Redux, and Pure Components

### **E-Commerce Food Order Web Application**

*A responsive e-commerce app for food ordering with dynamic cart functionality.*

- Developed entirely in ReactJS using Hooks and the Reducer/Redux pattern for state management
- Built as a SPA with component-based architecture, React Router, and responsive HTML5/CSS3
- Ensured cross-browser compatibility and mobile responsiveness throughout

## **EDUCATION**

---

| Degree              | Institution                          | Board/University  | Year | Score |
|---------------------|--------------------------------------|-------------------|------|-------|
| B.E. / B.Tech CSE   | SKR Engineering College, Chennai     | Anna University   | 2022 | 94%   |
| 12th / Intermediate | Narayana Junior College, Ongole, AP  | State Board of AP | 2020 | 80%   |
| 10th                | St. Xavier's High School, Ongole, AP | State Board of AP | 2018 | 83%   |
